

# St Vigeans Museum

## Explorer Quiz

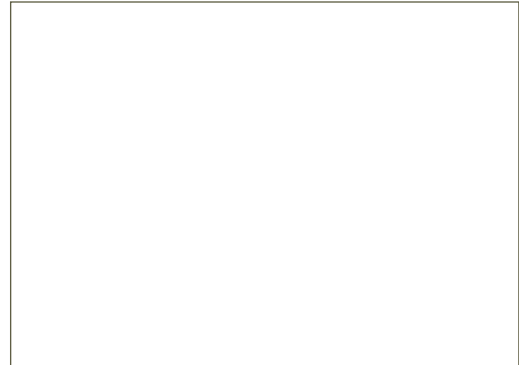

Look at the stones around the museum to learn about the people who lived here 1300 years ago.

- 1 The Picts carved lots of different animals on their stones. Some of them were **wild monsters!**

Find one on the stones and draw it here.  
Give your creature a name:

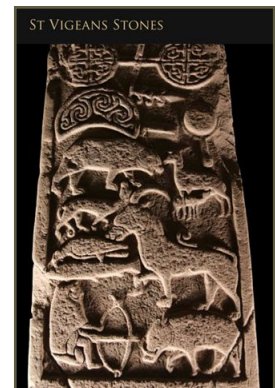

---

- 2 The Picts also carved pictures of real animals.  
Find the Drosten Stone. It looks like this:

There are lots of animals on it.  
Which animals can you see? Circle them below:

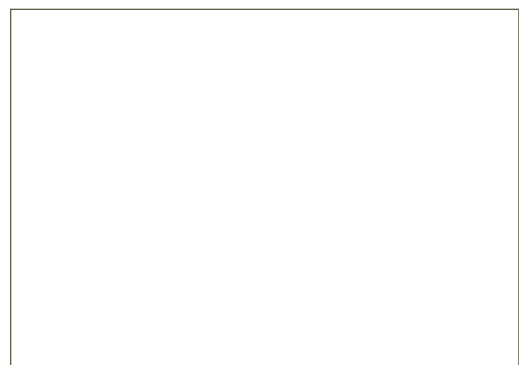

Owl	Deer	Boar (wild pig)
Snake	Goat	Fish
Bear	Eagle	Cat

- 3 Look at the other stones.  
Find another picture of a real animal.

Draw it in this box and write what it is.

---

**4** How many stones have pictures of deer on them?  
Look carefully!

**5** Sometimes the Picts carved shapes or symbols on their stones.  
We don't know what they mean. Look for these symbols on the stones.

How many of each can you find?

Double -disk

Z-rod

Crescent

Mirror

**6** Find some stones that show people.

Use the carvings to help you draw a picture of a Pict.

**Well done! Now you can collect your free sticker.**
